

Annual Customer Conference 2006

Croke Park Conference Centre, Dublin

18th & 19th October 2006

Annual Customer
Conference, 2006

Annual Customer Conference, 2006

- Ireland's independent Transmission System Operator and Operator of the Wholesale Power Market.
- Customer-focussed.
- Commercial, State-owned company
- Established by statute as TSO and licenced by Commission for Energy Regulation
- 200 staff
- Will soon move location to another building in Dublin

Annual Customer Conference, 2006

Key aspects of our role:

- To deliver quality connection, transmission and market services to our customers and to develop the grid infrastructure required to support the development of Ireland's economy.*
- Underpinned by a legislative requirement to develop, maintain and operate a safe, secure, reliable, economical and efficient transmission system.*

Annual Customer Conference, 2006

Looking ahead...

- Delivering high quality services to our customers as independent TSO
- Working in partnership with all of our stakeholders including shareholder, regulator, customers, staff and trade unions
- Maintaining a safe, secure, efficient and economic power system
- Developing and facilitating an All Island Market
- Integrating further renewables
- Managing vital infrastructure investments for Ireland Inc
